Fire Protection, Recreation Discussed by Councils

Mayor Dr. Henry Shimbashi and Councillors Billy Rose, Marvin Helm and Ron Smith attended a meeting in Stony Plain Monday to continue discussions with the Parkland County Council on several matters affecting both municipal bodies.

Fire protection for the county area surrounding Drayton Valley was one of the major points discussed. The County Council was concerned about costs and necessity of some of the specifications of a rural fire protection unit as outlined by the Drayton Valley Fire Department. County Council members were generally of the opinion that a fire truck similar

to those stationed in other communities in the County should be adequate to provide the required protection to the Drayton Valley rural area.

The Drayton Valley delegates suggested taking the matter back to this Thursday's meeting of Town Council for consideration by the whole group and the Fire Chief.

Recreation throughout the western area was discussed at some length without reaching any decision other than planning of a further meeting between the Parkland Regional Recreation Committee and the Drayton Valley Recreation Board. The meet-

An interesting display of figure skating talent is in store for those in attendance. About twenty Evansburg skaters have been hard at work for some time preparing for the event. They are being instructed by Mrs. Thompson, who is also the president of the Kinette Club.

WEEKEND VICTORY ADVANCES WARRIORS TO ZONE FINAL

Two tense and exciting basketball games climaxed the western section of the North Central B - boys and girls regional high school basketball championships held at the Frank Maddock High School gymnasium this past Saturday.

The Paul Kane girls basketball squad set back the favored and last year's championship team from Onoway 33-31. Standing out on the Paul Kane five were Margaret Laird and Bobby Ryley, who won the outstanding individual players award. Paul Kane had reached the final by defeating the Drayton Valley Warriors 54-29 in the morning and 42-20 in the afternoon.

The FMHS Warriors of Drayton Valley made it two years in a row as they turned back a good Evansburg five 57-43, Holy Redeemer College 58-30 and Parkland Composite High from Edson 55-52 in a tense and pressure filled final.

The final showed neither team giving under the pressure of a foul infested final. Standing out for Edson were Paddy McPhee, who won the outstanding individual player award, Jim Cook who won an all star award and Trevor Bevan, who hurt the Warriors in the middle. Equally outstanding performances and great pressure outside shooting was displayed by Doug Ibbotson, who won one of the four all star awards, Keith (Twiggy) Sodergren, who also won all star honors and Larry Mattoon.

All four finalist teams will advance to the zone championships next Saturday, which are to be staged at St. Albert. Here they will be joined by two other teams in each division. The winner in each of the boys and girls division of the zone finals will advance to the Provincial Tournament Championships held the following week in Grande Prairie.

get through the next year on the same tax base as 1968.

A comprehensive report by the Secretary-Treasurer summarized expenditures and revenue and broke down the disposition of the tax dollar. Education, it was pointed out, took a large share (34 mills) as did debt charges of 17 mills.

The high debt charge to Drayton Valley is accounted for by the town's youthfulness and the fact that many services and facilities have been provided here in a very few years compared to the length of time older communities have taken to reach the same

point.

Drayton Valley compared favorably in most respects in a table prepared by the Secretary-Treasurer showing revenue and expenditures in towns of comparable size.

Ratepayers present at the meeting were apparently satisfied with the way town affairs are being conducted and expressed a vote of thanks to Town Council for its work in the past year.

Reports were heard from various departments and ratepayers were given the opportunity of seeking information on various phases of town activity. Several questions from the floor were answered before the meeting ended.

Why Calgary?

How much larger should Edmonton and Calgary be encouraged to grow by leaps and bounds while smaller centres throughout the province grow at a snail's pace?

As humming centres of great activity we are well aware of why they continue to grow but question the amount of effort or interest put forth in the cause of smaller centres. Far better, we believe, that the future should see many small thriving cities dotted throughout the province, than two enormous concrete giants surrounded by nothing.

The hint by Lands and Forests Minister Henry Ruste that the province might be considering the construction of a fish hatchery at Calgary or some other suitable location, makes us ask, "why even consider Calgary?" Fish hatcheries appear to function quite well in the National Parks, so why wouldn't anywhere in the western part of the province serve equally as well as Calgary if such an undertaking is to be considered.

We suggest that our legislative representatives might find more enthusiasm if it were announced that locations under consideration were Pincher Creek, Edson, Rimbey, High River, Olds, Drayton Valley -- or any number of the smaller progressive communities whose economy and pride can afford occasional bolstering.

This is Sport?

You would think that by the time the human race had reached the enlightened 20th century we might have found somewhere in our hearts the wisdom and kindness to treat dumb animals with compassion. We are apparently quite far from such a goal judging from newspaper accounts of the "sport" of running down and crushing the life out of coyotes with snowmobiles.

We don't intend to get into the argument about coyotes, pro and con. Only to note that any animal, coyote or any other predator, deserves a better fate than this.

Although we don't condone it, we grant there could possibly be a measure of sport in reaching rifle range by snowmobile and then shooting. But to run an animal until its trembling legs will carry it no further and then crush it to death with a machine is almost too bestial to imagine.

Snowmobiles, unfortunately, have opened another door to the decimation of wildlife which previously suffered sufficiently at the hands of trigger-happy fools shooting at anything that moved. Legislation must surely come some day to protect all animals from the terror now being inflicted on the coyote.

Ice Safety

In Canada we are lucky. Every year we experience the wonderfully brisk and invigorating days of winter and early spring and enjoy the fun and pleasure associated with them.

We indulge in our favourite winter sports, some relatively safe, others extremely hazardous. We are for a few months creatures of snow and ice.

Two of the most popular seasonable pastimes, snowmobiling and ice-fishing, can be dangerous unless tempered with caution. There are repeated reports of snowmobiles breaking through thin ice. Ice fishing, also a popular sport, draws thousands of Canadians to ice covered lakes every weekend. Quite a few at their own peril.

Last year there were twenty-eight cases of drowning on ice-covered lakes across the country. Many of these cases were due to the victims not knowing local ice conditions before venturing beyond commonly used areas.

And, remember, a good quantity of snow and temperatures that are not unpleasantly low always produces an ice situation that is not dependably safe.

Wise ice users, be they skaters, snowmobile operators, ice-fishermen or whatever, will double check ice conditions this winter.

Legislature Report

BY RALPH JESPERSEN, M.L.A.

The debate on the Speech from the Throne continued during this week. Mr. Lougheed, Leader of the Opposition, introduced an amendment consisting of eight points that he felt were omitted from this document. It is plainly understood that the Throne Speech can not possibly contain all the programs to be undertaken by the Government for the ensuing year. Apparently the Leader of the Opposition was not aware of that.

Mr. William Dickie, House Leader for the Liberal Party, then introduced a further amendment adding three more items which he felt should have been included. The amazing part of all this was that Mr. Lougheed numbered the points of his amendment one to eight and Mr. Dickie nine to eleven, which certainly indicated that the two Opposition Parties agreed to these amendments prior to their introduction. When the vote was taken, which was really a vote of non-confidence in the Government, Mr. Dickie's amendment was defeated 50-9 and Mr. Lougheed's amendment defeated 49-9.

A number of Government members continued to take part in the Throne Speech Debate. Honourable R. Patrick, Minister of Industry and Tourism, in a two hour speech outlined Alberta's very favourable economic growth for 1968 and stated that indications were more encouraging for 1969. Mr. Patrick said that more than 150 new industries had located in Alberta during 1968 bringing an investment of \$300,000,000.00 and providing 1600 new jobs. He stated that there were more building permits issued in Calgary than in all of Saskatchewan and Manitoba. And Edmonton had issued more permits than the total in British Columbia.

The nine month interim financial statement tabled Wednesday in the legislature showed that Alberta's deficit was greatly reduced because of a dramatic recovery in Government revenues, mainly due to sharp increases in sales of oil development leases. There is every indication that this encouraging trend will continue in the remaining three months of this year, leaving the Province in a very good financial position.

Some very interesting resolutions were introduced by private Members on private Members day. The possibility of having the proceedings of the Legislature televised generated many favourable comments and it would seem that if arrangements can be made with television stations this may become a reality.

The request to permit hunting on Sunday in certain areas of the Province was introduced and will be voted on later in the session.

The debate on the Speech

from the Throne will conclude next Friday. It is expected that the Provincial Treasurer, Honourable Anders Aalborg, will then bring down the budget, which could be a record budget.

Midget Team Needs Support

Drayton Valley Clippers will meet the Jasper team Saturday in the second game of a two-game total-point series in the Provincial Midget Playdowns. The game will be played in the Centennial Arena here starting at 4:00 p.m.

The Drayton Valley team is down nine points going into the game and needs the support of parents and spectators to encourage them to overcome the deficit and go on to win.

In the game at Jasper last Saturday over 200 spectators turned out to cheer their team. They expect to bring a couple of bus loads here for the second game so if the Clippers receive their usual amount of support they will be out-cheered on their home ice.

It is hoped that parents particularly and sports fans in general, will turn out and give this fine group of young fast-skating players the kind of hometown support they deserve.

St. Anthony's Church Setting For Hutzel-Tucker Wedding

St. Anthony's Church was the scene of a pretty wedding on Saturday, February 8th, when Mr. Edward Hutzel and Miss Iona Tucker exchanged wedding vows before an altar banked in white chrysanthemums.

Given in marriage by her father, the bride was radiant in a floor length white, floral velvet sheath gown featuring a train, long sleeves and cowl neckline. Her shoulder length veil was held in place by a white maribou head piece and she carried a white muff trimmed with a white orchid.

The bride was attended by Miss Darleen Tucker, Miss Wendy Brebo and Miss Shirley Lainchbury in identical floor length sheaths of deep pink velvet. They wore matching maribou headpieces of pink maribou and carried colonial bouquets of daisies.

The groom's attendants were Messrs. Ron Hutzel, Gerald McMorris and David Joyce.

Ushers were Tommy Tucker and Jerry Hutzel, Little Miss Donna Lainchbury was flower girl and Master Gregg Tucker was ring bearer. Mrs. R. H. Woods was organist.

Father Lynch, the presiding clergyman, introduced an innovation in which the bridal party faced the congregation.

For her daughter's wedding Mrs. Tucker chose a turquoise brocade gown with matching accessories. She wore yellow roses en corsage. Mrs. Hutzel wore blue lace and her corsage was of pink roses.

Mr. Leslie Herndon was master of ceremonies at the reception held in the Elks Hall following the ceremony. Mr. Albert Lainchbury proposed the toast to the bride to which the groom made a suitable reply. The groom's uncle, Dr. Stephan Yaremchuk, made a humorous speech in which he gave the newly weds much good advice and expressed best wishes for a happy future.

During the evening Mrs. Wilfred Sleno entertained with vocal numbers and Allan and Marilyn, accompanied by their mother, sang a duet.

The bride's table was centered with a three-tiered wedding cake trimmed with a gold cross, gold leaves and gold flecked lace. The cake was flanked by candelabra bearing tall white tapers.

The bride's going away outfit was a pale pink wool boucle suit with matching hat and black accessories.

Mr. and Mrs. Hutzel will make their home in Drayton Valley.

THE WESTERN REVIEW

Drayton Valley, Alberta
February 26th, 1969

Evening For The Poor

Youngsters of the community turned out in large numbers last Wednesday evening to show their concern for underprivileged children around the world at an "Evening for the Poor". Funds raised from the "hunger meal" of rice, bread and water and the dance that followed in St. Anthony's Auditorium will go to help children in developing nations. The "hunger meal" scenes shown above helped children of this community relate to conditions of children in the "have-not" countries. The supper and dance raised the amount of \$161.25. The Eighth Day band helped swell the total by playing for the dance free of charge.

Father and Son Banquet Well Attended

The annual Father and Son, Cub and Scout banquet was held in the Elks Hall on February 17th, the beginning of Baden-Powell week. There was a large turnout for the banquet.

Mr. Bruce Boles, president of the Group Committee was master of ceremonies, also gave the toast to the Queen. Scout Bruce Moltzan played the piano for O Canada and God Save The Queen. Scout Brian Telford gave the toast to the fathers and Mr. Gene Harris gave the reply on behalf of the fathers. Rev. G.E. Ingram asked the blessing.

The Cub and Scout Mothers Auxiliary would like to thank

the Group Committee for arranging for our guest speaker, Mr. Claude Gould, Area Commissioner from Whitecourt. He gave a very interesting talk on Cubs and Scouts, and also presented Mr. Jack Heyland and Mr. Jack McLean with ten year pins for long service with the Cub and Scout movement. Mr. Jack McLean was also presented with bookends, with the scout emblem, as retired district Cub master.

District Scoutmaster, Mr. Lawrence Clark from Sangudo, was also present and was kind enough to bring his badges and display them all for the boys. Some he had traded with boys from differ-

ent parts of the world.

Other guests were district Cubmaster, Mr. Hugh MacKenzie, Mr. Bob Mayhew, Rotary president and Rotarian representative, Mr. Howard Janzen, Mayor Shimbashi and the clergymen were also guests.

President of Cub and Scout Mothers Auxiliary Mrs. Phyllis Morrill presented the leaders with travel alarm clocks, and the two women assistants with cup and saucer with the cub emblem.

We would like to thank all the cub mothers who helped serve for the banquet.

And special thanks to the Ukrainian Catholic women for the nice supper.

Huskies Take Three Game Lead in Semi-Final Series

The Rebels and Ft. Sask Huskies met here in a double header last weekend and each team won one game. The Rebels won on Saturday night 5-3 and lost 9-5 on Sunday. The Huskies lead the semi-final league play offs 3 games to 1 as the series moves on to Ft. Sask on Tuesday, February 25th and the Rebels must win 3 games in a row to advance to the finals. Camrose leads Wetaskiwin 3 games to 1 in their semi-final series.

On Saturday night Barry Ness opened the scoring with Davie and Machan earning assists. Gary MacIntyre tied the score less than a minute later then the Rebels went on to take a 5-1 lead on goals from Barry Solnes who scored a fine goal unassisted. Then Jim Dunn tallied with Novacel and Garding assisting. Rod Colbert duplicated Barry Solnes' effort as he carried the puck the length of the ice to beat Foster in the Huskie's nets. Solnes scored the final Rebel goal at the 12 second mark of the third period. Butch Thomlinson scored 2 goals for the Huskies to end the scoring. The winners of the scoring pool were Gary Hartman, J.J. Mahan and John Greaves.

Sunday's game featured a total of 14 goals scored. Barry Panke-wicz turned aside 40 shots as he

was barraged with flying pucks. The Huskies lead 8-1 before the Rebels finally came alive in the last half of the 3rd period and replied with 4 goals. Rebel scorers were Hemmingway with 2, Dan Davie, Frank Novacel and Barry Ness. The Huskies got a goal each from Prins, Shillington, Thome and singles from Pinnel, Hays and Schneider. The winners of Sunday's scoring pool were John Bootsma, Doug Orr and Dean Meraw.

The league commissioner has released the names of the players to win individual awards. Scoring Champ - John Young, Wetaskiwin; Goalkeeper Award - Ray Foster and Roy Turner, Ft. Sask; Best Defenceman - Len Gumpinger, Camrose; Rookie Award - Dave Pinnel, Ft. Sask; Most Valuable Player - John Young, Wetaskiwin; Most Gentlemanly - Ross MacEachern.

Although they did not win, Dabe Boulter was mentioned in the best defenceman and Ron Hemmingway in the most gentlemanly categories. Larry Silzer was eligible for the Rookie Award.

Upon completion of the league semi-finals the Rebels take on Ray's Esso Service from Edmonton in the first round of the Provincial play downs. It is a 2 game total point series and at

this time it is believed both games will be played here in Drayton Valley. Dates for these games will be announced later.

Fine weather is still with us and the fisherfolk we see, are very busy going to and from the lakes getting their quota of fish. The school children are in the process of having a fine long weekend this week while the teachers are at the convention in Edmonton.

The Styal FUA local held their annual meeting recently. Elected were: President, P. Kremeniuk; Vice-President, J. Mazeppa; Secretary, T. Stephans; Treasurer, Mrs. J. Mazeppa. A discussion on the rural sociology classes that were to be held took place. Also discussed was the question of fund raising and the road conditions into the district. The next FUA meeting is to take place on the second Tuesday of March at the home of Mr. and Mrs. R. Pugh.

The ladies of the Hollysprings district turned out to honor Mr. and Mrs. Frank Babcock at a bridal shower last weekend. Mrs. Babcock is the former Miss Tampke of Entwistle. Hostesses at the shower were Mrs. H. A. Hutchinson; Mrs. B. Tucker, Mrs. E. Shuster, Mrs. H. Schroder, Mrs. Shumacher and Mrs. J. Tuttle. The shower was held at the Shuster home and many lovely gifts were received by the bride.

The Agricultural Society held their annual meeting recently at the home of Mr. and Mrs. Gerard at Wildwood. Elected to the new executive were Mr. Gerrard as President; Mr. A. Dimer as Vice President; Mrs. Anna Clare Vanosky as Secretary-Treasurer

and Mr. C.B. Pugh as Public Relations officer. Mr. Miller, District Agriculturist was present at a meeting and gave a short speech to those attending. Following this meeting an executive meeting took place at the Vanosky home where the fair books were revised for the coming year.

The executive of the Cub and Scout Group Committee met recently to help plan various activities for the boys. First on the list were skating and skidoo parties while the weather still holds, we hope.

Members of the 4-H club held a toboggan party recently and then practised for their skit which they will present at the rally to be held on February 28th.

And even if the end of the shortest month is in sight, this does not mean that social activities are lacking for this coming weekend.

During the afternoon of the 28th the annual John Deere show is to be held at the Legion Hall. This year's theme is Farming Frontier '69. This show will begin at 2:00 p.m. and after the show refreshments will be served. There are also door prizes to be awarded to the lucky ones.

Then in the evening of the 28th, the Stony Plain 4-H Council are putting on a show of skits by the various clubs in the council. This rally will take place in the high school auditorium and will begin at 8:00 p.m. There is no admission and everyone is welcomed to attend this evening of entertainment. Refreshments will be served after the show.

On March 1st the official opening of the new covered arena will take place. There will be skaters from Edmonton, Drayton Valley and Whitecourt attending and the figure skating classes being taught by Mrs. Thompkins will also take part. For the evening a moccasin dance is being planned. So, if planning to attend this activity, tickets are available from various members and each ticket counts for a vote for your favorite carnival queen.

SUMMARY: Receipts continue to increase under more favourable weather and a stronger demand for all classes. Sales were about evenly divided between slaughter and replacement classes with probably a slight increase this week in killing kinds. Approximately 75% of the butcher steers and heifers were of choice and good quality. Trade was active throughout with prices increasing on all classes as the week advanced. Butcher steers opened under a firm demand for quality offerings and were mostly 50 to 75 higher, selling freely to 27 at the week's close. Quality butcher heifers were not too plentiful but those on offer traded on the firm order to 25 higher with the odd light weight to 25. Butcher cows were in fairly good supply with the good to medium kinds mostly a dollar higher for the week selling at a practical top of 20, with the odd heifer kind higher. Lower grades of cows generally steady throughout. Good bulls were 50 higher with sales to 23. Veal calves generally scarce to 50 higher. Butcher calves steady. The replacement cattle trade was most active under a broad demand with prices ranging to dollar higher on steer classes, replacement heifers were mostly 50 higher. feeding. West-440 for slaughter. To southern Alberta-280 feeders. Export-16 head.

Evansburg C.W.L. Plans Events of Near Future

Members of the St. Elizabeth Council met in the church rectory on Monday evening, February 17th at 8:00 p.m. for their general monthly meeting.

Arrangements were made to hold a St. Patrick's tea and bake sale on Saturday, March 15th from 2:30 to 4:30 in the Evansburg hotel basement.

It was decided to help the Edson C.W.L. council by being host to one of the teas at the Diocesan convention, which will be held at Edson on May 23rd, 24th and 25th.

Christian Unity Services were held in many parts of the world in January and Evansburg was no exception, when the congregation of the Lutheran, Anglican, Unit-

ed and Catholic churches met in the St. Elizabeth Roman Catholic church to pray together for Christian unity.

The service began with a welcoming address given by Leonard Corkery. The prayers were lead by Father McKenzie. John Keast and Garry Lorenz assisted in the service by reading the lessons. The sermon and the blessing were given by Pastor Yee. Three hymns were sung during the service.

Following the service lunch and coffee was served to all by the C.W.L. and some members of the Lutheran congregation.

Lynn-Lauren School Opened At Wetaskwin

The official opening of the modern Lynn-Lauren School for the Retarded was held Wednesday, February 19th in Wetaskwin. The school was open to the public in the afternoon, and a great number took advantage of this to tour around the bright classrooms, auditorium and well equipped Home Economics room.

In the evening Chairman F.R. (Fred) MacNaughton and Mayor Bob Colborne welcomed the (standing room only!) visitors to the school, after which the children led by Principal Mrs. Welliver and teacher Mrs. Lloyd Shantry put on a delightful short program.

The official receiving of the keys from architect Mr. A.M. Holland was the finale of the evening with President Paul Krorsa accepted them on behalf of the Wetaskwin Committee.

The Association of Wetaskwin had at a prior meeting presented a plaque to Mr. Fred MacNaughton in recognition of his untiring efforts, countless hours of work, and constant concern so that he may have it as a reminder of the fulfillment of his dream for the area, the Lynn-Lauren School for the Retarded

Youngsters marching to the theatre for Sunday's service.

Church Parade Climaxes Baden-Powell Week

On Sunday afternoon a non-denominational church service in the Cadium Theatre brought to an end a very busy Baden-Powell week for the Cubs and Scouts of Drayton Valley. The Cubs, Scouts, Brownies and Guides paraded with their leaders from the Scout Hall to the theatre, and were joined inside by interested parents and friends for the service, which was conducted by members of the Drayton Valley Ministerial Association. Sunday, February 23rd was official Scout Sunday throughout the world.

Other activities throughout the week included the Cub and Scout Banquet. At this banquet, Mr. Jack McLean and Mr. Jack Heyland were presented with long-service pins from the area Commissioner, Claude Gould. Mr. McLean, who has recently retired as district Cubmaster was

presented with a gift on behalf of the local Group Committee. Mr. Heyland is continuing to work with the Group Committee, and has been active in the Cub and Scout organization for over 12 years. The interest and involvement of these two men has benefitted many boys in our community.

The Cub and Scout Group Committee would like to take this opportunity to express its thanks to: Mr. Serenas for the use of the Cadium Theatre for the church service, Mr. Retallack, manager of The Bay, for allowing us to use the store window for our display and to T.M. Electric for the donation of a flag to the Scout Hall. A very special thank-you is extended to the Ministerial Association for conducting the church service, and the Eighth Day group which supplied music for the service. This group certainly helped to point out the accent on youth for which the service was held.

The collection taken at the service was \$29.26. This money will be sent to the A.C.T. for aiding crippled children.

The Magnolia Saddle Club held a sleighing party on the afternoon of Sunday, February 16. Approximately twenty-five young people enjoyed the event. Later in the day a pot luck supper for the children and their parents was held at the Dick Anderson home. Everyone reports a day well spent.

Folks will be pleased to know that Mr. and Mrs. William Anderson are keeping in quite good health. Guests for the weekend were grandchildren, Miss Judy Oman and Mr. Ron Anderson both of Edmonton.

A very successful tea and home baking sale was held by the Magnolia Community Club in the banquet room of the Evansburg Hotel. Mrs. Rhodes of Entwistle was the lucky winner of the chocolates which were raffled at the tea.

Roger and Daryl Webber, grandsons of Orris and Dorothy McWilliam are visiting over the weekend. They reside in Edmonton.

The Magnolia Community Club held a meeting in the hall Monday evening, February 10.

At the invitation of the club, Mr. Sidney Moore, recreation supervisor for the Parkland County and his assistant Mr. Cecil Armstrong, were present. About 30 interested local residents attended. Mr. Moore decided he would have to see the hall and grounds after the snow is gone to ascertain its needs as a recreation centre. The gathering kept Mr. Moore busy answering questions for about an hour on the subject of the recreation projects of the County.

A committee made up of John Waddell Jr., Betty Strangway, August and Mary Reich, Leonard Williams, Cecil June and Walter Campbell volunteered to assist.

Lunch was served after the business was completed.

Two young people home from work this week are Eric Brown and Peter McDougall. Eric hurt his hand and Peter wrenched his back. We hope you will both feel better soon.

Paul Stables, a grandson of Ray and Della Storms, was visiting to brighten their day on Monday, February 17. Paul lives in Drayton Valley.

Terry and Pat Brydges brought their little son home about one and a half weeks ago. They tell

me he is gaining very nicely.

Bob and Nora McCracken, accompanied by their sons Danny, Colin and Fred, visited daughter Gail at Lac La Biche this past weekend.

Saturday guests at the M. Norbert home were Mrs. Norbert's parents, Mr. and Mrs. Kenneth Monson, and Miss Bobby Monson, a niece. They came out from Edmonton to help Miss Jan Norbert celebrate her birthday. Happy birthday Jan. Peter Dykes was also a weekend visitor with the Norberts.

Betty Strangway, escorted by her son Kevin, attended the Saturday night square dance lessons held in the Entwistle school.

The Magnolia Ladies Club held its monthly meeting at the home of Betty Strangway. Marie June was co-hostess. There were ten members present. Mrs. Terpstra was a guest and became a new member of the club. Della Storms was the winner of the tea prize. The next meeting will be held at the home of Doris Johnston with Nora McCracken as co-hostess.

Talent Show At Breton

For the third consecutive year the Breton High School Students' Union will be bringing Search for Talent to Breton. Show will be held in the Breton School auditorium on Saturday, March 8th, commencing at 7:30 p.m.

Besides raising money, Search for Talent provides an opportunity for talented artists of Breton and District to perform on stage-many of them for the first time.

Contestants wishing to perform are requested to register early as number of total entries is limited to twenty. A.C.T. officials pointed out that Breton and District have a reputation for maximum support for the show, both in the number and quality of contestants and in attendance at the show. Two years ago Breton set an all-time record with 110 individuals performing on stage.

The Breton High School Students' Union will receive a portion of the proceeds from the advance sale of Pull tickets the students are selling.
